

PEZZI SPECIALI SPECIAL PIECES

Fatti a regola d'arte

I pezzi speciali S. Anselmo sono fatti per essere utilizzati sia nei restauri di importanti monumenti che nella costruzione di nuovi edifici.

Nel laboratorio artistico dell'azienda vengono create sagome di forme, colori e dimensioni differenti, spesso su disegno personalizzato.

S. Anselmo vi offre la possibilità di creare su misura pezzi speciali di qualsiasi colore e formato testimonianza di un lavoro in cui si evidenzia l'abilità manuale e tecnica.

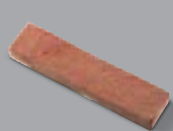

High quality workmanship

S. Anselmo trim pieces can be used for both the restoration of important monuments and to construct new buildings.

In the company's artistic workshop, moulds are made with different shapes, colours and sizes, often to personalised designs.

S. Anselmo can also create made-to-measure trim pieces in any colour and size, confirmation of the emphasis given to manual and technical skill.
